Dear ITS Customers:

As you may know, the ITS was acquired by RBC Ministries, the publishers of *Our Daily Bread*, in January of 2009 and integrated into our ChristianCourses.com ministry, supporting our mission to make the life-changing wisdom of the Bible understandable and accessible to all. We would like to make you aware of several upcoming changes.

1. As of December 1, 2009, we will be distributing ITS product through our publishing house, Discovery House Publishers. You will begin to see the name **Discovery House Publishers** on the packages you receive from us.
2. As you likely know, we have in recent years offered our courses in both MP3 and audio CD format. Every ITS course that we offer will continue to be available in MP3 format. However, the demand for audio CD sets has been declining due to the wider availability of MP3 players in cars, computers, and other players. Therefore, as of December 1, 2009, we will only offer 23 of our most popular courses in CD format. Please reference the course listing posted on the ITS web site to see which courses will no longer be available in CD format after December 1.
3. Effective December 1, 2009, the price for all CD courses will change to \$199.95. The price for MP3 format will not change.
4. We have changed the packaging of ITS courses. Beginning December 1, you will begin to see the new look on the courses you order. The package will look different, but please be assured that the course content has remained the same.
5. We are excited to begin offering ITS courses in an online format! We have recently launched our first ITS course that can be taken completely online: **The Sermon on the Mount by Rev. Dr. John R. W. Stott**. We trust that having the ITS courses available in an online format will offer greater flexibility. Watch for future announcements from us as additional online courses are launched ([www.itscourses.org/online](http://www.itscourses.org/online)).
